

Touchstone

A Journal of Mere Christianity

Touchstone is a Christian journal, conservative in doctrine and eclectic in content, with editors and readers from each of the three great divisions of Christendom—Protestant, Catholic, and Orthodox. The mission of the journal is to provide a place where Christians of various backgrounds can speak with one another on the basis of shared belief in the fundamental doctrines of the faith as revealed in the Holy Scriptures and summarized in the ancient creeds of the Church.

Touchstone is published 6 times a year by The Fellowship of St. James, a not-for-profit association of Christians belonging to various churches dedicated to a renewed appreciation of the faith and ministry of Jesus Christ today.
